

Only the stout of heart and tenacious riders were able to keep up with the above-shown Klondike Trail Riders who stuck to their saddles and rode into St. Albert Tuesday afternoon. For some of these hardy types, St. Albert meant the end of a 500-mile ride, others who started at Peace River it meant a 325-mile journey, the actual route of the Klondike Trail. Lynn Nugent of High Level (second in line behind the four RCMP) had already logged 200 miles when he arrived in Peace River to join the Klondike Trail Originals who left there June 28. Heading the colorful contingent of riders who retraced the Klondike Trail are four Mounties: Const. Wayne Mossman, Fairview, Dale Kantymir, Peace River, Tom Lomont and Don Megguson. The two latter Mounties joined the riders at Ft. Assiniboine but are attached to the Edmonton Detachment. Riding immediately behind the Mounties is the Trail Boss Rod Roth of Twin Lakes, about 100 miles North

of the starting point. Behind the Trail Boss is Lynn Nugent followed by other hardy riders like the Brochu from Donnelly, the Soucys from Peace River and many others. Bringing up the rear was the official escort made up of officials from St. Albert. Amongst the few we can identify in the rear guard are: Mayor Ray Gibbon, Ernie Jamison, MLA and Rollie Charbonneau, co-ordinator of the whole affair. This picture was taken Tuesday afternoon by The Gazette photographer as the Klondike Trail Riders were officially escorted into town. They are seen riding down St. Vital Avenue on their way back to the Kinsmen Park corral. Somewhere amongst the rear-guard officials is Rollie Charbonneau and his wife Doreen who did a tremendous job recruiting assistance from local service clubs and just generally working like a couple of little beavers getting the whole celebration off the ground and seeing it through to a tremendous success.

Paving Tender Approved

The lowest of two tenders for pavement construction in St. Albert was approved Monday night by town council. Standard General Construction Limited submitted a tender in the amount of \$133,484 while the other tender was submitted by W. C. Wells Construction Limited in the amount of \$134,896.25.

Tenders were called for pavement construction work surrounding the Carmar Holdings property on which

the Medical Building is presently being constructed, lane paving in the downtown area, Grandin Road from Gordon Crescent to Levasseur Road as well as the St. Albert Trail service road abutting the new St. Albert Inn.

In a memorandum from town engineer Jan Maandag to council, he explained that the Standard General bid of \$133,484 would be within the budgeted amount for paving,

however, the local improvement portion for Carmar Holdings would create an over expenditure of approximately \$10,000. In view of this situation, Mr. Maandag suggested to council that the Carmar Holdings project be financed out of capital surplus and therefore not require a revision of the by-law.

Councillor John de Bruijn made two motions after the

New Brunswick Students Welcomed At Town Banquet

The Town of St. Albert hosted a banquet for the students and parents involved in this year's student exchange program at the Community Hall Sunday evening.

Fifty students, their chaperones, and parents of the St. Albert group brought attendance to 115. The visiting young people were from Grand Falls, New Brunswick. Head table guests, introduced by Mayor Ray Gibbon, were Rev. Len Musto and Mrs. Musto, Eileen Gibbon, New Brunswick students, Anne Marie Levesque and Jean Marc Godbout, and St. Albert students, Marie Blanche Curial and Chris Kluthe.

The mayor also introduced Councillors Bob Hudson and Frank Lukay and their wives, the only council members not away, MLA Ernie Jamison and Shirley Jamison, Mr. and Mrs. Cote and Mr. Jean Guy Plourde accompanying the New Brunswick students, Mr. and Mrs. Gary Duchak, St. Albert supervisors, Dr. and Mrs. Cuts, and Mr. and Mrs. Bob Hayworth of the exchange planning committee, Mrs. Rene Laird, recreation co-ordinator, who arranged the banquet and Mr. Henry Terrault, president of the St. Albert Community League, whom he thanked for the League's co-operation in making the Hall available.

Leslie Duchak spoke in both French and English, concluding her brief but thoughtful remarks with the thought that maybe the answer to Canadian unity lies not so much with politicians and bilingual and bi-cultural commissions, but rather

such person to person contacts as occur in the student exchange. Mr. Guy Plourde spoke for the Grand Falls visitors.

Mayor Gibbon also spoke briefly, saying that he would like to see the exchange program greatly expanded. He told the students that both his daughter and his son had been on the program and both continued to enjoy the friendship of students from Eastern Canada whom they had met. Matt Gibbon and Darrell Skinner are in Cornerbrook, New Foundland at present he said and visiting at the homes of friends made in the 1972 student exchange. The parents also benefit greatly from these visits, said the mayor, who felt that many more students should be able to make these

visits and perhaps some less beneficial project could be cut back to provide increased funding of student exchange programs.

Presentations were made to the visiting students and supervisors of plaques from the Town, Father Tardif's History of St. Albert, from the Roman Catholic Parish, and mugs from the Kinsmen Club, bearing their emblem. The young ladies all received corsages from Mr. Ernie Jamison, and all the students were given 'Alberta' pins.

Miss Marie Blanche Curial on behalf of the St. Albert students thanked those responsible for the evening and Miss Anne Marie Levesque spoke for the New Brunswick students.

Kinsmen Warehouse Request Approved

Bob Myrthue, president of the St. Albert Kinsmen Club obtained permission from town council Monday night to erect a warehouse on town-owned land.

Mr. Myrthue explained to Mayor Ray Gibbon and the only three remaining councillors present at Monday's meeting, John de Bruijn, Bob Hudson and Frank Lukay that the St. Albert Kinsmen have been in need of a warehouse for a long time and wanted to erect a moveable structure on town-owned land. Mr. Myrthue explained that Kinsmen Clubs are not allowed, according to its constitution, to own property. Therefore, the local

Kinsmen are making plans to acquire a two-car garage and move same on a site designated by town council.

After considering the matter, Mayor Gibbon made a motion that the local Kinsmen be allowed to proceed with their outlined plans and that the site for the proposed warehouse be selected by town staff. The motion received unanimous approval.

Mr. Myrthue explained, after the meeting, that the local Kinsmen have acquired a lot of sport equipment plus club paraphernalia over the years and therefore feel that a warehouse will solve some of their storage problems.

Artifacts display depicts history of the RCMP force

Scores of artifacts and papers associated with the early history of the RCMP have been assembled by the Glenbow-Alberta Institute of

Calgary for exhibit during the RCMP's Centennial year at the Institute's museums in Banff and Calgary and in travelling displays.

Among the papers is a significant collection of letters and diaries written by Inspector William Parker who served in the Force for 38 years from 1874. The papers deal primarily with Parker's life in the NWMP and with events which he eye-witnessed during the early years of the Force.

These include the Great March West In 1874, the signings of Treaty No. 6 with the Cree Indians in 1876 and Treaty No. 7 with the Blackfoot Indians in 1877, and the final confrontation between the NWMP and the elusive Almighty Voice near Duck Lake, Saskatchewan, in 1897.

The Glenbow-Alberta Institute's other collections of Force exhibits range from Mounted Police weapons, uniforms, horse equipment, buttons and medals to certificates, photographs and newspaper clippings.

The excavation at the site of Fort Calgary is another Institute project. The post was built by the NWMP in 1875 and Glenbow archaeologists recently found a third of the site suitable for excavating. They have moved some 6,000 artifacts, in-

cluding buttons, shells, nails and pieces of pottery, leather and glass. These are now being classified and efforts are being made to preserve the site.

Around Town

Edward Walsh, 30 Gresham Blvd., was St. Albert's only resident participating in the "Five-for-Fitness" 100-mile run from Red Deer to Edmonton on Sunday in recognition of the RCMP Centennial.

Each runner covered five miles of the course. The "Five-for-Fitness" teams set out from Red Deer at 6 a.m. on Highway 2A. The mayor of each town enroute was presented with the new official Klondike flag by the runners. An RCMP escort in full scarlet dress accompanied the runners on the 100-mile route.

The RCMP Centennial Run culminated at 7 p.m. when all the runners met at Renfrew Park and set off in full force to Edmonton City Hall for finish-line ceremonies.

Civic, provincial and RCMP personalities participated at the City Hall ceremonies where a souvenir scroll signed by the mayor of each town on the 100-mile route was presented to the RCMP.

The London Society, noted for their three annual dances in St. Albert, will be whooping it up Klondike style Saturday night at the Purple Dude. It is not known whether Ethel Ward will be performing the Charleston again this year, but it may be depended upon that everybody will have a great night out. The Caribbean Ambassadors will be on the bandstand, tuned up for lots of Klondike numbers and the Society has an interesting door prize lined up, but they're not telling what it is. Tickets at \$3 each are available now, phone 434-2897, or at the door. Plans are also well along already for the October event, to be "Hulloo'en in Hawaii" this year, and the New Year's Eve ball, which will be held at the Corona Hotel.

tions time was allowed for socializing before the young people picked up their passports and went off to enjoy a swim at the pool.

The visitors are all staying with the families of their counterparts in St. Albert and will be in and around Edmonton till Thursday. They will visit various points of interest in Edmonton, the Game Farm and Elk Island Park, and take in the Parade and a day of Klondiking Wednesday.

Thursday they leave for a Calgary-Banff area tour and will be accommodated at the very attractive suites on the top story of the S.A.I.T. building while in Calgary. They will be back in St. Albert Saturday and a barbecue will be hosted that evening by the Lions Club. Sunday they leave by air for the visit in Grand Falls.

SSEP To Return

A new platoon of Summer Student Employment Program workers spent a day in St. Albert earlier this week and completed a little clean-up project on the Sturgeon River before going back to their home base in Edmonton. In a brief telephone conversation with John Beedle, parks superintendent here in St. Albert, the Gazette was informed that the SSEP work crew will be coming back soon as another project has been designated. Mr. Beedle said while St. Albert is making arrangements for the SSEP crew, the Summer Student work force is presently on a clean up project in the Whittemed Creek area.

PUBLIC NOTICE

The Town of St. Albert will again be taking advantage of the Student Summer Employment Program to have certain areas cleaned up.

While some of the natural parklands and ravines in Forest Lawn, Braeside and Grandin Park will be cleared of dead trees, brush, tree houses and garbage, the residents of these districts can be assured that no live material of any kind will be removed, no brushing will be done or roads made; only "dead" material on public parkland will be affected.

Responsible supervision will be provided by the Edmonton Millitia and the St. Albert Parks Department and the work is scheduled to be carried out in July and August.

The co-operation of all residents in the areas concerned is requested in seeing that, once they have been cleared, the parkland and ravines do not revert to their former untidy state.

PARKS SUPERINTENDENT.

LETTER

The Editor:

I am writing with reference to your editorial of June 6, 1973 in which the various P.S.S. programs were outlined and discussed.

In this editorial you suggested that the St. Albert Help Society had proven its value and should remain. I agree heartily that it has proven its worth and something to regard in wonder the thousands of volunteer hours that are poured into the three programs (Homemakers Service, Mothers Day Out and Meals-on-Wheels) each year by people with no vested interest other than making St. Albert a better place to live.

However I must point out an error in the intent of your editorial. The Help Society could not exist without a

P.S.S. director unless the Town of St. Albert were to provide all necessary funding in these three areas. Eighty per cent of our funding comes from the Dept. of Health and Social Development of the Province of Alberta and is contingent upon the supervision of a director to administer the programs. Therefore if we did not have a director, total funding rather than 20 per cent as it now stands, would have to come from the Town of St. Albert thus costing the taxpayer at least as much and eliminating other valuable programs.

Thank you for your interest.

Mrs. Linda A. Kuz, President, St. Albert Help Society.

Day Care seeks home services

The Day Care Centre is seeking persons willing to provide lunch and after-school care for school-age children of working parents. Homes are needed in all areas of St. Albert.

People living in an elementary school area, or

having a school bus passing near them, are requested to consider helping the Centre provide this service.

Payment will be on an hourly basis and further information is available from Kathleen Stewart, 459-6756.

Increased funds - students

Minister of Education, Hon. Louis Ryndman has announced that grants to school boards for transportation and maintenance of students who have to attend school away from home, will be raised from \$2.50 per day to a maximum of \$5.50 per day per student.

The extra monies will be paid to assist students unable to pursue their education

in their home community. The minister estimates that an extra \$200,000 will be paid out to boards under this section of the school foundation program fund.

Increased payments will be effective in the school year 1973-74. Approximately 1,000 students and their parents will benefit from the increased grants.

Knights Plan Klondike Beerfest

The St. Albert Knights are well prepared to handle the big crowds expected at their first annual Klondike Beerfest in the Arena July 27 and 28, with all the main arrangements completed.

George Weller, chairman and co-chairman Eric Bok-enfoir would appreciate, however, hearing from any local people who would like to lend a hand serving. They may be reached at 459-7461 and 459-6827 respectively. Times are 8 - 1 a.m. Friday night and Saturday night and 1 - 6 p.m. Saturday afternoon.

Live entertainment designed for family enjoyment has been planned for Saturday afternoon, with local bands and entertainers alternating to provide continuous action from the stage. The Blackwell Band, the

Balmoral Balladeers and the K.C. Nolsmakers are among those appearing.

The Happy Wanderers, Bavarian band of Jerry Wennes, will be playing for dancing both nights and the Klok Line from Marigold Dance School will do three performances each night. The Arena concession will be open throughout the Fest and their will also be Beef on a Bun and Kobasca Buns available.

The Knights are looking forward particularly to having all the good people of St. Albert and Sturgeon area join them for Klondiking in Alberta's oldest town. Paul Shelemey, chairman of the K.C. Hindi-Bus operation has a big stake in the success of the new annual project. The bus transports handicapped children from

St. Albert to special schools in Edmonton, and the first bus, purchased in 1966 has to be replaced. Between 30 and 40 children use the service twice daily. All the proceeds will go to this and other community projects such as minor baseball, hockey and lacrosse.

Silver Dollar Deadline

Just a reminder that the August 31 deadline for ordering the commemorative RCMP silver dollar coins from the Royal Canadian Mint is fast approaching.

The silver dollars are being sold at \$3 each and can be ordered by writing to: Coins Uncirculated, P.O. Box 470, Ottawa, Ont.

Good Grief! Read A Book

Tuesdays and Thursdays from 10:00 - 12:00 a.m. Snoopy and his friends, sometimes known as members of the Summer Reading Club, drop in to the Public Library to report on books they have read. The Red Baron, otherwise known as Mr. Mills the librarian, and his friends listen to the reports and record the titles read by each member. At last count, approximately 180 children aged 6 to 12 years have read everything from Dr. Seuss to Jules Verne, Harriet the Spy to Kaki-Wahoo, the Little Indian who walked on his head. Recommended books have been marked with yellow tape on the spine to aid in selection.

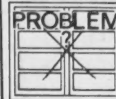

For those who wish to read on holidays and report when they return, books may be loaned for four weeks on request.

To wind up this program a party for all members will

be held on Saturday, August 25.

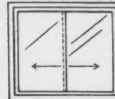

P.S. - There's still time to join the fun. Come to the library and join the Summer Reading Club and read, read, read.

Senior Wives to tell all

Something different in the way of RCMP centennial projects is started some time ago by Wilma Clevette in Edmonton. Veteran wives and widows of Force members are writing a book of anecdotes and experiences of women who have spent many years as Mountie wives.

They are endeavoring to get submissions by August 31 from as many as possible of the veteran's wives involved in K or G division of the Force. The book will be published in 1974, the 100th anniversary year.

It is understood that no censoring, by either husbands or other senior RCMP personnel, will be allowed and the book could provide a fascinating look at the world-famous RCMP from a viewpoint quite different than any others.

Women in St. Albert and Sturgeon district are invited to contact Mrs. Don Fraser at 459-5201 if they are interested in contributing, or know of someone who might be.

Cubs Win Provincial Opener

St. Albert Cubs defeated Manola 4-2 at Mission Park Diamond Sunday afternoon to take a one-game lead in their best-of-three series in the opening round of the provincial bantam baseball playoffs.

Cubs actually defeated Manola twice, 9-5 in 10 innings in the second game, but that game will only count in the event one of the two games scheduled for Manola next Sunday is rained out.

If both games next week are rained out, Cubs would win the round on the strength of their opening-game win and would advance to the northern zone final July 28 and 29.

It took less than an hour and a half to play the opening game Sunday as Dave Shipanoff of the Cubs' and Doug Paquette of Manola hooked up in a pitchers' duel.

Shipanoff faced only 27 batters over the seven-inning route, giving up five hits and walking only one. He struck out 12. He was particularly tough over the last three innings, allowing only one batter to reach base.

Paquette faced only 22 batters over the six innings he was required to work as Cubs didn't bat in the bottom of the seventh. He gave up three hits, walked one and struck out five.

Manola took a 2-0 lead in the top of the third inning but Cubs came back with three in the bottom half. Roy Galloway doubling, Steve Olsen walking and both scoring on Mike Mitchell's double. Mitchell scored as Shipanoff grounded out.

Cubs got their other run in the fourth, Paul McCann connecting for a triple and scoring as Dale Roy grounded out.

The second game took nearly twice as long to play

as it went into three extra innings before deciding the winner. But when the end came it came quickly.

Trevis Parayko, leading off for Cubs in the bottom of the 10th, hammered a long shot to centre field and scampared for the wayhome for the winning run.

It was the second BIG hit for Parayko in the game. Cubs were trailing 8-6 in the bottom of the seventh when Joe Tworek singled with one out. Parayko tripled to score Tworek, then came across with the tying run on Dale Roy's squeeze bunt.

Cubs had trailed early and often in this game. Down 3-0 after Manola had batted in the first inning, they came back with four of their own, Kenny Gossen getting on for interference by the catcher, Shipanoff walking, Mark Tworek tripling and Terry Led-

dy coming up with a homer.

Cubs added another run in the second, but Manola came back with three in the fourth, driving Joe Tworek from the mound as they took a 6-5 lead.

Leddy came on in relief, ending the Manola threat with a pop-up, then pitching six innings of sterling relief, giving up only three hits, walking two and striking out eight.

He was never really in trouble except for the top of the seventh, when Manola scored two runs with two out and two strikes on the batter when a pick-off attempt at third base, called by coach Doug Millroy, was wide.

In the top of the ninth, however, the same play worked, the inning-ending out coming in almost the same situation, two out and two on.

St. Albert Hosting Baseball Playoffs

Local baseball fans will see some excellent senior baseball this weekend as the Northern Alberta senior playoffs will be played at Mission diamond.

The four teams, Cold Lake Cardinals, Leduc Oilers, Viking Shamrocks and St. Albert Willowbrook Saints will compete in the double knockout tournament with the winner to play Southern Alberta for the provincial championships.

All teams finished first in their respective league and should provide some fine action.

Leduc are touted as the top team due to some excellent pitching staff. St. Albert will rely heavily on young right hander Wayne

Biggs who has been very strong in his performances to date.

Action gets underway Saturday morning at 9:30 a.m. when St. Albert meets Viking. Cold Lake goes against Leduc at 12:30.

The two losers play at 3:30 while the two winners play Saturday's last game at 6:30.

On Sunday morning action starts at 9 a.m. and the final games is at 12 noon.

St. Albert Time Trials Won By Paul MacDonald

About one week ago, the St. Albert Bruin Inn Cycling Club organized a 10 mile time trial, starting and finishing at the weigh scale. The event was won by Paul MacDonald of Georges Cycle in 25'25" with Sandy Harris of Alberta Cycle second in 25'44". Third was St. Albert's Peter McCaffery in 26'19". A very creditable

ride was done by newcomer Terry Willislo who did the 10 miles in 27'20".

Shortly before the St. Albert Club's event started, the Alberta Time Trials Association had run a similar race on the same course. Winner Jim Brohman did a very creditable 25'02" and showed that the association is producing some good riders.

It is hoped that in the near future the ATTAmembers will affiliate both the Alberta Bicycle Association and thus be eligible to ride in provincial and national races.

Leslie Fleming, standing and Ross Duncan, seated at left, get 20 youngsters involved in a new game at Grandin rink area. The 10 workers and supervisor, for the Recreation Department playground program, work in teams of two with supervisor Valerie Mogeik and arts-crafts expert, Linda Roberge as rovers. The response is such that they are all kept on the go. Each of the Braeside, Sturgeon, Grandin and Mission rink shelter areas have the same team each day, so that the kids get to know them. More and more are coming each day from 10 - 12 and 1 - 5 Monday through Fridays and often they stay through the noon hour for a "bring-your-own" outdoor lunch.

The St. Albert young people working on the Town Recreation Department's summer program for kids, were gathered up at Town Hall grounds after an early Monday morning meeting, before spreading out to the four rink shelter areas of St. Albert. In front are Jan Jobber, Shawn Nuttall, Odelle Kilparchuk and Linda Roberge. Standing from left are Joanne McDonald, Cindy Smith, Ron Hunt, Supervisor Valerie Mogeik, Ross Duncan and Debbie Yeats. Missing from the photo is Leslie Fleming.

Sports Alberta First To Move In Rec. Centre

The old Mission Park School, since undergoing extensive remodelling by the Provincial Department of Public Works for a provincial recreation centre, is now ready for occupancy. On July 2, the first pro-

vincial recreation association, Sports Alberta, has taken up a one-year lease and office space in the new complex. There are 25 other provincial recreation associations who have indicated interest in obtaining a lease and quarters in the provincial recreation centre.

Mrs. Barbara Meredith of 51 Bescon Crescent, St. Albert has been appointed administrative clerk and assumed her new duties July 2.

Mrs. Meredith's duties at the provincial recreation centre include liaison duties between the lessees and the provincial government. She will also regulate bookings for the various facilities within the complex, giving priority to lease-holders, local groups and provincial organizations, in that order.

A spokesman for the Department of Culture, Youth and Recreation said the centre will officially be named on opening day sometime in September of this year. At that time, a sign and dedication plaque will be unveiled at a public ceremony.

Stony Plain Playboys won their annual 16-team mens fastball tournament over the weekend with a 11-7 win over Spruce Grove Panthers in the final game.

The Playboys were led by Cameron Ray, the winning pitcher in all three games, who also hit four homeruns.

Tennis

A number of St. Albert Tennis Club members entered the City of Edmonton Tournament which was held last week at the Royal Glenora Club. Alexandra Kincald won the ladies singles B event and Alexandra Kincald and Angela Miller had to default because of injuries to Mrs. Kincald in the final of the Ladies doubles B event to Mrs. Young and Mrs. Macdonald, after having won the first set 7-6 and losing the second set 6-7. In the secondary events Clark Warren was defeated in the Men's A singles event by Peter Teasdale.

The final novelty doubles is being held on the St. Albert Tennis Courts on Wednesday, July 25, at 7 o'clock, and all members are encouraged to take part in the tourney and the social hour to follow.

Angela Miller, left, and Alexandra Kincald represented St. Albert very well in the Edmonton Tennis Tournament.

Bruin Inn Riders Enter Calgary Stampede Race

Last week four St. Albert Bruin Inn C.C. cyclists rode in the Stampede criteriums, held on a 1/2 mile circuit in downtown Calgary.

In the five lap novice race Gary Harris of the St. Albert club won comfortably, with Shane Frahn of Alberta Cycle second and Ron Moore of St. Albert third.

The 25 lap junior race was won by Sandy Harris of Alberta Cycle who just edged out Paul Ebbs of Calgary in a sprint finish. Race official Peter McCaffery of St. Albert rode in this event "just for fun" and finished fifth.

In the main 80 lap race,

Karl Schneider of the Bruin Inn team retired after 50 laps, due to lack of training time. The race was won by Commonwealth Games star Chris Hooker of International Cycle with Na-

tional Champion Norman Lowe of Vitasport Cycles second at 1/2 a wheel.

Tourist Bureau Opens On St. Albert Trail

The Travel Information Bureau, located along St. Albert Trail in the Purple Dude parking lot was launched into action July 1 and has been running smoothly ever since.

Manned by a total of 14

members of the St. Albert Evangelical Lutheran Church, under the direction of Pastor Ray Olson, the Alberta Travel Information Bureau, made available by the Provincial Department of Tourism, has already

handed out hundreds of maps, brochures and pamphlets on St. Albert as well as Alberta in general.

Between the hours of 9 a.m. until 3 p.m., a team of workers takes care of the information booth, hand out promotional material on tourism as well as advice to the regional traveller.

A second shift comes on duty at 3 p.m. and mans the travel booth until 9 p.m.

Angela Kochan and her father Herman have been seen putting in many hours at the Travel Bureau, supervising the operation and seeing that shifts of workers rotate in such an order whereby the work load is evenly divided. Another duty performed by the 'goodwill ambassadors' is keeping a record of the tourists who stop in for information. Also recorded in the log-book is the tourist's destination, place of origin and specific

requests made by the traveller.

Local persons responsible for bringing this Alberta Travel Information Bureau to St. Albert include Harry Hutchings and Gerry Belke of the Midnight Twilight Tourist Association, MLA Ernie Jamison and now a bouquet goes to the Evangelical Lutheran Church and its members who have negotiated a contract with the MTTA to man the bureau during the summer months.

A special private donation of significance is being made daily by Emile Pelletier, owner of the Purple Dude who serves one member of the bureau staff every day with a free hamburger and a milkshake.

The Midnight Twilight Tourist Association, through the two local re-

presentatives, Harry Hutchings and Gerry Belke is still anxious to receive as-

sistance to go toward financial support of the Tourist Information Bureau.

Supper Lions sing platform pledges

The St. Albert Supper Lions displayed musical prowess at their meeting last week when the 1972-73 executive bowed out and the new leaders took over the reins for the coming term of office.

Past President Dick Ryley when asked for his favorite song, he appropriately replied, "Will You Miss Me When I'm Gone?" He then humbly told his fellow Lions "I have served you well, I have stood the test of time and guided you through a successful year like the great white father." Amid unanimous approval and cheers from Supper Lion members, Immediate Past President Dick became serious when he thanked everyone for making the past term such a rousing success. In closing Past President Ryley ended his swansong with the immortal words of somebody or other, "I've got tears in my ears etc."

Incoming President Jack Garrett admitted Lion Ryley's act was a hard one to follow but promised that he would attempt to follow in the footsteps of the Great White Father and guide the Supper Lions to new and greater things... if possible. President Jack pledged to bring Lion meetings back into St. Albert and possibly in the new St. Albert Inn. President Garrett then outlined plans for the coming year which will include more major fund-raising drives, fewer small ticket sales and the emphasis will be placed on club harmony, enthusiasm and good fellowship.

Events on the project calendar include a special welcoming barbecue for the RCMP Centennial Riders expected here July 17. Also a barbecue for the exchange student contingent from St. Albert and New Brunswick. The annual vegetable sale will again be featured at Lions Park starting mid-July until the end of August.

Terminating the meeting in harmony with the song title piece set by outgoing president Ryley, the following members of the new executive chimed in the following gems:

Lion Tamer Don Parkin - "Well, Hello Dollie." Tail Twister George Simpson - "Put Another Nickel In." One-year director Bill Webber expressed his feelings with, "You'll never know just how much I care." Jerry Samogolski, another director said it this way: "It only hurts for a little while." Roger Gariepy another one-year director answered the question with the following: "Who put the overalls in Mrs. Wilson's chowder?" Two-year directors vocalized in this manner: Gordon Townend, "I'm going to sit right down and write myself an invoice and make believe it came from you." Gordon Snyder - "Back in the saddle again." And Adam Hauptman claimed his favorite song was, "Baubles, Bangles and Beads."

Third vice-president Jim Kimball claims his favorite is "How you gonna keep

them down in the Park?" while 2nd vice-pres. Bill Jones promised "I'll be calling you-ooo-ooo." Treasurer Peter Mykityshyn appropriately came up with "We've got six-pence." Secretary Rock Holman plead-

ed "Give me five minutes more," while President Garrett ended the enjoyable routine with "Try a little kindness."

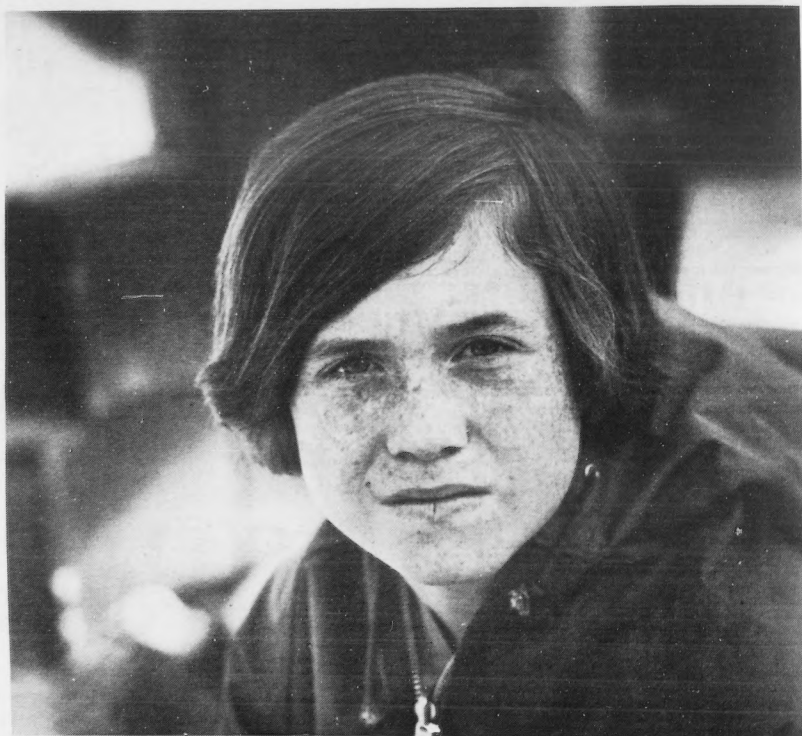

Committee chairmen were then announced as fol-

lows: Finance, R. Holman, N. Chodan; Pub. Relations, Dick Wilson; Bulletin, Murray Kayes; Greeter, Ken Moore; Membership and Retention, Adam Hauptman; Visitation, Verne Rheault; Parliamentarians, Bob Pra-

ther and Bill Webber; Boys and Girls Sports, Gerry Samogolski; Leo Club, Wade Davis; Air Cadets, N. Bondarevich; Program, Tex Tyler and J. Rutherford; Attendance, Gerry Key; Information, Bill Webber and Rod

Thronson; Bar manager, J. Murray. President Jack Garrett concluded by saying that remaining vacancies will be filled later and the appointments will be announced when made.

Local girl marries Edmonton man

Lols Rindero, daughter of Mr. and Mrs. S. E. Rindero of St. Albert, became the bride of Robert Utiwugt, son of Mr. and Mrs. Henri Utiwugt of Edmonton on Friday, June 8th in the Christian Reformed at 100 Avenue and 140 Street in Edmonton.

Rev. J. W. Postman performed the afternoon wedding service before an altar flanked with bouquets of daisies and baby's breath. Wedding music was by Mrs. Genny Goutbeck and soloist Mr. Jim Timmer, who sang "We've just begun."

Given in marriage by her father the bride was charming in a full length gown of white satin, with attached hood trimmed in white lace. She carried a beautiful bouquet of mixed flowers, which she later presented to her grandmother, Mrs. Lillian MacDougall.

Miss Marian Rindero was maid of honour for her sister and Judy Utiwugt, sister of the groom, was bridesmaid. Both wore long yellow gowns and carried daisies and baby's breath. The groom was attended by Mr. Martin Utiwugt as best man and Mr. Bob Wilson.

Larry Rindero, cousin of the bride and John Utiwugt ushered the guests.

A wedding dinner and dance was held at St. Albert Community Hall for about 80 guests. Daisies and baby's breath adorned the head table, which was centered with a three-tiered wedding cake decorated in white and yellow.

Dancing was much enjoyed to the "Just Four" orchestra. During the evening the choir, "Free and Happy" gathered on stage and asked Lols and Bob to come up for the presentation of a beautiful leather chair. Then Lols joined the choir, of which both she and Bob are members, and Bob took over on the drums, for a few well chosen numbers to entertain the guests. The choir was directed by Mr. Henri Utiwugt.

The bride's mother wore a long gown of deep rose, with a corsage of daisies and baby's breath. Mother of the groom chose a long mauve gown, with an identical corsage.

The young couple have taken up residence in the city.

Hillside Dental Building Occupied

New quarters for St. Albert's four practicing dentists were officially occupied last week by doctors: J. M. Venne, P. Hapchyn, L. Nobert and G. Boychuk. Located at 54 St. Michael Street, Hillside Dental Bldg. also provides about 1,900 square feet of floor space for rent.

Hillside Dental Building, a modern two-level structure at 54 St. Michael Street was officially occupied by St. Albert's four dentists last week.

The attractive all-concrete building, erected in the flank of the embankment at the far end of St. Michael Street accommodates all four dentists and staff on the top floor. It also offers about 1,900 square feet on the main floor which is available for rent.

Occupying the 2,600 square ft. top floor are doctors: J. M. Venne, P. Hapchyn, L. Nobert and G. Boychuk. Each dentist has two fully-equipped operating rooms radiating from a modern central common waiting room. The top floor also allows space for expansion which will include an operating room for a dental hygienist as well as an operating room for oral surgery.

The total staff includes four dental assistants plus two receptionists. Owners of Hillside Dental Bldg. are presently interviewing applicants for the position of second receptionist and are also interviewing the prospective dental hygienist. The vacancy for an oral surgeon will be filled later.

Thirty new paper and board mills are planned in Russia by 1980.

Dr. J. M. Venne came to St. Albert in 1960. He operated out of both clinics in town until he and his colleagues decided to build Hillside this spring. Dr. Venne and his wife Anne Marie have three children and are expecting their fourth child soon.

Dr. P. Hapchyn came to St. Albert six years ago from Dawson Creek. He and his wife Anne also have three children.

Dr. L. Nobert arrived in St. Albert in the spring of

1966. He is married to Dr. Eva Nobert on staff at the Aberhart Hospital. They have two children.

Most recent arrival to St. Albert is Dr. G. Boychuk who came here in 1971. Dr. Boychuk is married to Jeanette and they have a daughter.

B. J. Graham, building contractor of St. Albert started on the Hillside Dental Building early this spring and turned the new edifice over to the four owners recently.

Szott Couple Buys Mink Lake Resort

A popular St. Albert family, living in the area for the past 12 years, Mr. and Mrs. John Szott have sold their country store in Volmer and have just purchased a summer resort at Mink Lake. The family has already moved to their newly-acquired resort property while John continues to operate St. Albert Upholstery and commutes to the lake daily.

When the Szott family moved here in 1961 they went into the upholstery business and have been very successful in this enterprise. Being overly active, they acquired the Volmer Country Store about four years ago and operated both businesses until the store was recently sold. Always looking to expand into the business world, the Szott family fell in love with Mink Lake

and decided to purchase 16 acres of lake front property. The site fronts a beautiful small lake, set in a giant stand of evergreens and situated only about 30 miles west of St. Albert on Highway 16.

The Mink Lake Resort, now in full operation since last week, is easily found six miles beyond Edmonton Beach and about two miles south of Carval Corner. The resort offers campers an ideal site to park trailers or tents, open cook-outs plus fishing boats and plenty of game fish for the sportsman.

Last weekend the Szott family thoroughly enjoyed their first experience at manning their newly-acquired resort complex. Thanks to an active and willing family unit of five, the Szotts were kept busy

operating the food concession, renting fishing boats and gear while also directing traffic in and out of their 16-acre resort site.

Besides Mr. and Mrs. John Szott, the family includes two daughters and one son, Cheryl 17, Peggy 15 and Jack 13.

"It's a family affair," Mrs. Szott said, "and we all pitch in, that way we can get a lot done while really enjoying ourselves."

When asked whether the resort undertaking was going to be strictly a

summer affair, Mrs. Szott said that the family has already moved into the three-bedroom bungalow on the resort site and plan to live there year round. She explained that in winter, the resort area will promote skating parties, snowmobiling, ice fishing and other winter activities.

St. Albert and district friends are invited to visit the Szott family at Mink Lake Resort and enjoy a good time in an ideal outdoors setting.

A mattock and dibble are common tools used in tree planting.

Writing class tries stories for children

By Patricia Hamilton
Stories for children, the Creative Writing workshop learned, must have strong characterization and straight forward plots but be simple in style and content. Although children need not relate to the background setting, it could be China, or Australia, or Canada, they like to read about children near their own age. Before the end of the story there must be a change for

the better, a satisfying achievement or reward, but it must be plausible. From beginning to end the characters must stay "in character." Writers cannot talk down to children or make the story-child accomplish the impossible. This does not mean that fantasy is undesirable. If the entire story is fantastic then the child reader will go along and expect fantastic happenings. Vocabulary need not be too carefully restricted. Words used in everyday conversation are acceptable to the child. Mass media today continually confronts children with difficult words.

The most important essence of children's fiction is action. Events must happen

in a constant, plausible sequence, building up to a climax, smoothing into a short denouement, and then ending quickly. If a child is bored at any point he will stop reading. It is the writer's challenge to keep him interested.

Some of the class found juvenile fiction very difficult to write while others discovered it to be their favorite field of writing. Several stories were read and criticized during the class.

After a lively discussion on stories with a supernatural theme, Mrs. Margaret Johnson, the class instructor, suggested the workshop members try a piece of adult fiction. Next week animal stories are to be read.

Early RCMP history being discovered

The original site and logs of the first barracks built in St. Albert in 1888, - The story of Col. G. Sanders at Athabasca Landing, - The story of Fred Bard - oldest living member of the Royal Canadian Mounted Police.

These are among the storehouse of material being discovered by the 'Zone 14 Group' working on the history of the Force.

This group is sponsored by the Midnight Twilight Tourist Association, with the assistance of a provincial government grant. Interested in the particular area of Zone 14, (St. Albert to Fort Assiniboine and Athabasca), two researchers, Brother Andy Boyer, OMI

and Margaret McRae are anxious to contact anyone who would be able to give them any further information. Photographs, maps, documents, personal experiences and any information pertaining to the early history of the RCMP are all of interest and being sought by the researchers.

CWL Convention handles big agenda

Despite heavy showers, "Manna from Heaven" for the thirsting fields of southern Alberta, about 100 members from all regions of Alberta and the North West Territories assembled at the Park Lane Motor Hotel in Medicine Hat for the 26th annual Provincial Catholic Women's League of Canada Convention, June 15 - 17, 1973. It was ably hosted by the St. Patrick's Parish Council.

The convention was officially opened by Girl Guides with the "Raising of the Flag," then O'Canada and the League Prayer. Mrs. H. Scherer, Diocesan president of the Calgary Council, presided as chairman. Greetings and welcome addresses were given by Rev. W. Krewski, pastor of St. Patrick's Church, and priest-consulor for the Calgary Diocesan Council. Mrs. M. Back, president of St. Patrick's CWL, and various dignitaries and messengers by Rt. Rev. J. A. MacLellan, provincial director and Mrs. P. S. Niedzwiecki, provincial president.

A business session followed until 11:30 a.m. when a Eucharistic celebration was held in the Assembly Room. The main celebrant was most Rev. Paul J. O'Byrne, D.D., Bishop of Calgary.

During the banquet luncheon at 12:30, Bishop O'Byrne the guest speaker, elaborated on the convention theme,

"There is Joy in seeing life as a service outside oneself." Quote: "The above theme is likened to Jesus saying 'I am the Way, the Truth and the Light.' He urged all to have reflections on the human aspect of living together. We must keep our perspective so the differences will not lead to violence.

Mrs. Cullen gave an address of appreciation to Stella Niedzwiecki for her outstanding work in the CWL and for her concern regarding the handicapped. Monsignor MacLellan congratulated her also for her great contribution to Labor.

High honor was bestowed on past provincial presidents and the Alberta Life members of the National Council. Among the past presidents attending were Mrs. Mary Kelly, Mrs. Mary Hagel, Miss Anne Kirby and Mrs. Ruth Cooney. Some of the life members are Mrs. L. T. Melton, Mrs. F. G. Timperley, Mrs. Frank Roberts and as of June 16, Stella Niedzwiecki.

Carol Sherwood of Calgary, a CUSO Volunteer, spoke on her experiences as teacher of accounting and journalism in Zambia from 1969 - 1971. Despite modern progress the witch doctor is still very much a part of Zambian Culture. To correct the disappearing of her possessions and to redeem them Carol had to throw a handful of dried bones on a

fire. It worked.

The project "A cup of coffee for CUSO" raised \$400 by "little contributions" from CWL members. This will be matched by the Canadian International Development Agency to sponsor an Alberta couple, Derek and Myra Ironside of Red Deer, for a year of teaching in Malawi. Another \$87.39 were collected at the convention for the Mission in Malawi. There is a surplus of \$120.95 of CUSO money which will go into the "Cup of Coffee" fund if the project is continued. For development and Peace the CWL in Canada raised \$3,200.24.

The provincial Council reported last year's accomplishments and involvement in education, catechesis, rights for the unborn, student programs, senior citizens and overseas missions. The diocesan councils reported donations to "Birthright," financial help in placing an organ in the Jean Vanier retreat, about 100 per cent participation in the "World Day of Prayer," sponsorship of ecumenical programs, assistance to Red Cross and Cancer drives, programs for mental health and the handicapped and some 1,175 letters sent to legislators opposing the liberalization of abortion laws.

Elected to the new executive are: Mrs. Natalie Carley of McLennan, president; Mrs. Mary Anne Warren of Fort McMurray, 1st vice-president; Mrs. Adria Bowdrey of Edmonton, 2nd vice-president; Mrs. Edna Lorenzen of Yellowknife, NWT 3rd vice-president. Mrs. Edith McDowell of Calgary treasurer. Positions of recording and corresponding secretaries are still to be named.

Eighteen resolutions were presented, voted on and passed for presentation at the National CWL Convention in Edmonton in August. They covered such topics as assistance for handicapped, disadvantaged and battered children, marriage courses for high schools, abortion, accommodation for homeless women, rural separate school boundaries and others.

The convention closed on

Regional Rec. Agreement Signed By 5 Centres

By Flo McGinnis

On Thursday, July 12 at 8 p.m., the M.D. office in Morinville was the scene of the official signing of the Sturgeon Regional Recreation Agreement.

Joining together to form a new Regional Council are: the Villages of Bon Accord, Gibbons, Legal, the Town of Morinville and the Municipal District of Sturgeon.

Early in 1972 a Steering Committee was set up comprised of three members from each of the centres involved. This committee met regularly during a 13-month period and drew up an agreement that was accepted by all five centres. Working closely with the Councils and Recreation Boards, the members of the committee went back time and time again into discussions on each individual item that was to be included in the agreement.

The Sturgeon Regional Recreation Council will be comprised of 11 members as follows: four from the M.D. of Sturgeon, one each from Bon Accord, Gibbons, Legal and Morinville, one each from Legal School District, Sturgeon School Division, and Thibault School District.

Signing the official 'Agreement' were the Mayors of the five centres, the secretary-treasurers of the five centres and also the five chairmen of the Recreation Boards involved.

The first meeting of the Sturgeon Recreation Council is set for Tuesday, August 7th at 8 p.m. in the Municipal District of Sturgeon offices.

Sunday morning with the Solemn Installation of Officers by Monsignor MacLellan during a beautiful and most impressive celebration of the Mass in the St. Patrick's Church.

Pictured above are members of the Steering Committee present for the signing, left to right, standing: Angus McDonald, Riviere du Barre; Wes Carlton, Bon Accord; Leon Brisson, Legal; Harvey Atkinson, Morinville. Seated: Bill Carlton, Bon Accord; Flo McGinnis, Morinville; Reg Crozier, Nampa. Missing from the picture Joe Krupa, Gibbons, Art Morin and Joe Nault, Legal, Larry Paul, M.D. of Sturgeon, Maurice Joe Brabant, Morinville.

Alcomdale 4H club Achievement Day

By Devvy Davison

On July 4 the Alcomdale 4H Beef Club held their annual Achievement Day at the Alcomdale Sports Grounds. At 10 o'clock the members participated in a judging competition with Arlene Arlow, Darcy Brennels, David Klassen and Tommy Davidson's calves being judged by the 4H members. The 15 members calves were judged by Mr. Jack Duggan, well known Hereford Breeder. Darcy Brennels showed the grand champion of the day with Wade Meakin showing the reserve champion. The showman of the day was Arlene Arlow with David Klassen runner-up. The showmanship class was judged by Mr. Don Rinas, Mr. Jack Stevens and Mr. George Sim chose Darcy Brennels as winner of the older members for grooming. David Klassen won the grooming for the junior members. Mr. Syd Meakin was our ringmaster and Mr. Bill Gonek the master of ceremonies of the day. Thank you each for a job well done. Thank you to the community league for the use of the grounds, and also for having a concession

booth. Thank you to all the interested people who gave us their support. Our calves were loaded and taken into Edmonton where the stalls were designated to each club. The older members decorated the stalls Wednesday afternoon and evening. Thursday morning saw the Alcomdale 4H Beef Club members along with the 4H members of Ardrossan, Bon Accord, Fort Saskatchewan, Namao, Spruce Grove, Riviere Qui Barre and Villeneuve at the Exhibition grounds.

The 4H day started with a judging competition among the 4H members. The Sturgeon A group won top honors Arlene Arlow and David Klassen competed in the showmanship class. The showman of the day went to Bon Accord with the Namao club placing second. A group of four Charolais steers were chosen as the most uniform calves from our club. The calves chosen belonged to JoAnn Brennels, Pam Meakin, Janice Meakin, and Devvy Davidson. Darcy Brennels and Donna Davidson showed the calves with the owner of the calf at the halter. This competition was won by Spruce Grove with Riviere Qui Barre placing second. The top two calves from the eight clubs com-

peted for champion and reserve champion. Denise Kerckhof of the Villeneuve club won grand champion and Darcy Brennels of the Alcomdale Club showed the reserve champion.

The 4 H members and leaders were feted to a lovely dinner, as well parents and interested persons could purchase tickets to the banquet. Janice Meakin of the Alcomdale Club was the M.C. at the banquet.

At the banquet it was announced that the staff competition had been won by Riviere Qui Barre with Fort Saskatchewan placing second. The sale commenced at 7 o'clock with Don Hutton and Les Bishop auctioneering. The prices of the Alcomdale Club calves ranged from 46, 75¢ to 65¢, our reserve champion. Thank you Mr. Whitson, our club leader for persevering to the end of the sale and helping us get our calves out to the ring. Thank you to the buyers of our calves who were Charlie McLaughlin of Morinville Auction Market, Jim Falls Falls Farm Equipment, Madu Livestock, A. O. Brown, Woodward, Gainers, Swifts Northern Livestock and the Edmonton Exhibition Association.

R.Q.B. Beef Club finishes good year

By Danny Sheehan

A large crowd of spectators gathered at Riviere Qui Barre on Wednesday July 4 to witness the closing of another successful year of the RQB 4H Beef Club. The 24 club members brought the calves, which they have been feeding and caring for since last November to show them in the skating rink at RQB.

David Boddez was the proud member whose calf won grand champion while Suzanne Riopel's calf won reserve champion.

Careen Perrott was rewarded for her time and effort that she has spent with her calf all year by winning first place for the showmanship award while Kevin Boddez placed second, Bernice McGillis won

first in grooming and Robin Fuhr was a close second.

Club members would like to extend their thanks to the judges who generously gave their time to make the show possible. Mr. Jack Duggan was the calf judge while Jack Stevens and Ralph Oulmet judged for showmanship and grooming.

The following day, Thursday July 5, the calf sale was held in Edmonton at the Exhibition grounds. The RQB club was once again successful in winning top place for stall display and they placed second in the group of four.

Congratulations to Chris Kluthe and Darrell Sheehan who won several awards for judging.

We would like to commend all the members on another successful year. A big bouquet to their club leader, Gordon Fuhr, who has donated much time and effort to making the club a success.

Villeneuve pioneer passes away

On July 8th, 1973, Mr. Albert Lema, formerly of Villeneuve, passed away suddenly at Sturgeon General Hospital.

He leaves to mourn his loving wife, Juliette, eight children: Rita Atkins of Calgary; Emile of Edmonton; Pauline Magee of St. Albert; Robert, R.R. 1 St. Albert; Peter of Edmonton, Lorette of St. Albert; Angel Field and Dave, Grande Prairie; 24 grandchildren and two sisters, Clare Kremer of Villeneuve and Bertha Kremer of Edmonton. He was predeceased by a brother, Leon.

Albert was born in 1900, a year after his parents, Mr. and Mrs. Emile Lema arrived in the Villeneuve district from Belgium and pioneered a farm in the area. In 1927 he married Juliette Montpetit of Leagal and the couple continued on the family farm until Albert retired in 1966. They remained on the farm until June of this year when they purchased a home in St. Albert.

Albert acquired innumerable friends throughout the district and surrounding areas. He and his wife travelled extensively and Al-

bert enjoyed life to the utmost, especially when involved in a good card game or horseshoe match with his friends.

Father Haley said mass at the prayer service held the evening of July 10 in St. Peters Church, Villeneuve.

Funeral services were held in St. Albert Roman Catholic Church on Wednesday.

Concelebrating the mass were Fathers Duchesneau, Don MacDonald and Bob Troman. Father Levan-gle conducted the beautiful singing along with Mrs. Kennedy, organist and Mr. Victor Douzlech, soloist. Music was chosen by the family and scripture readings were given by Lorette Lema.

Interment followed in the church cemetery.

Sturgeon M.D. Approves St. Albert Proposal

The council of the Municipal District of Sturgeon approved the proposed sewage transmission line and treatment facility for the Town of St. Albert at its regular meeting held July 12 and 13. In its motion of approval, the M.D. Council agreed also to issue a development agreement to St. Albert, subject to six recommendations:

1. That St. Albert provide water services to residents of the municipality from the future water line.
2. That St. Albert restore municipal roads along which said utility transmission lines are built and that all said roads be restored to the satisfaction of the M.D. Also that St. Albert assume all responsibilities relating to the said road allowances and private property for any future land settlement.

3. That St. Albert abide to all conditions as outlined in the brief submitted at the July 5 public hearing also the conditions outlined by Stanley Associates.

4. That St. Albert be held responsible to take necessary precautions to prevent flooding of lagoon sites located near the North Saskatchewan River.

5. That the Town of St. Albert meet all necessary requirements as outlined by the Department of the Environment.

6. That St. Albert assume all liabilities evolving from the construction or the operation of the facility.

Prior to approving the proposal, members of both councils attended a public hearing in the Municipal District office July 5 to give residents affected by the proposal an opportunity to

submit views or objections on the proposed sewage transmission line and treatment facility for the Town of St. Albert.

The proposed facility will be located about 12 miles East of St. Albert, bisecting M.D. of Sturgeon lands to the shore of the North Saskatchewan River. Residents of the M.D. of Sturgeon made no submissions or registered no objections at the July 5th hearing, therefore the way was paved to proceed with the development proposal.

St. Albert's first stage proposal includes the acquisition of 100 acres of M.D. land, traverse about 12 miles of right-of-way to the North Saskatchewan where facilities will accommodate an estimated 40,000 customers. From the facility site, located on the Southwest and Northwest points of 54-23-4, St. Albert will be granted option to acquire future lands, up to about 200 more acres. This second stage would then supply water facilities for up to a population of 104,000.

Denise Kerckhof Shows Grand Champion

By Liz McLeod

When Villeneuve held their 4th Achievement Day on July 4, the white Charolais steer owned by Denise Kerckhof of Calahoo got top honors with brother Jack Kerckhof getting the reserve champion, also a Charolais.

Calahoo

By Liz McLeod

Calahoo was blessed with sunshine for the 10 team ball tourney held in conjunction with the sports day and church picnic, marred only by a short rain.

In the A event heads up ball was played with Stony Plain Playboys gaining the win over Summit Engineering and Convection Inn Cavaliers waylaying New York Life in a hard fought battle, to meet in the final game.

What a game this was, chattering in the stands, plays questioned and then a little puppy called Buttons decided to get into the game and playfully racing in and out and around dodging his pursuers till finally a player caught him. Final score was 6 - 4 for Stony Plain Playboys gaining top money of \$200. Runners-up Cavaliers got \$100, Summit Engineering and New York Life each getting \$50 in the A event.

Top money in the B event went to Michaels Catering Co. of Alton. \$100 with Stony Plain Kings coached by Jack Dhoed, (now residing in Stony) getting the \$50.

The judges, Doug Deason of 4H Regional office and Jack Dugan had their work cut out for them since all the calves were looking like champions, so well groomed.

Bill Soetaert was showmanship judge and since a boy and a girl each got a first in this class, he gave the honors to Kathy Sobolewski and David Soetaert.

Harold Cassidy was the judge for grooming and winners were Denise Kerckhof and David Meunier.

What a pretty sight to see the members leading their calves in a circle before the judges and the large turnout to support this event.

All members work hard all year. Villeneuve Club has held 10 meetings this year, and have enjoyed socials, a weiner, roast at Sobolewski's place. Members must attend seven meetings before they are eligible to receive a trophy.

After this exciting afternoon the calves were loaded and taken in to the Sales Pavilion where they were joined by seven other clubs and there on the 5th of July an ov - all Grand Champion was chosen by Judge Joe Kallal.

Jubilant reined supreme when Denise Kerckhof's (Snowy) again won out. Reserve champion went to Darcie Bremas of Altondale 4H Beef Club.

This choice held special significance for Myles and Daphne Kerr since the calf was purchased from their herd.

A group of eight neighbors watched the judging and sale. The champion sold for 80 cents a pound and the reserve champion netted 65 cents.

On the whole they went for an average of 50 cents a pound with the lowest bid 46 cents.

Arts & Crafts Caravan

An arts and crafts caravan, for senior citizens will be visiting the Municipal District of Sturgeon from August 6 - 24. It is offering to the senior citizens of the district an explanatory arts and crafts program geared to smaller communities. The emphasis will be placed on heritage crafts such as rug hooking, weaving, and basketry. It will also be presenting some

more contemporary crafts such as soft leather work, painting and ceramics.

The caravan is a 54 foot trailer which has been equipped with work area, lounge and washroom facilities. It will be situated in a stationary location in the Municipal District of Sturgeon, for the whole three weeks. The location has not yet been chosen but it will be well advertised when the decision has been made. The caravan will be open from 9 - 12 and from 2 - 4:30 Monday through Friday. There is no cost for materials or instruction. All senior citizens in the M.D. of Sturgeon are urged to attend some of the classes.

The first day, August 6, from 6:30 to 9:30 an open house will be held for all residents of the M.D. Demonstrations will be given of the courses to be offered. This would be a good chance to see what the caravan has to offer, and what courses would especially interest you.

The final day, August 24, there will be a general arts and crafts exhibition, not just restricted to crafts made in the caravan. After that the caravan moves on to Vegreville, its second location. It is hoped that as many senior citizens as possible in the Municipal District of Sturgeon will take advantage of the privilege of the caravan making its first stop the M.D. of Sturgeon.

Tour takes WI women to 5 points of interest

By Liz McLeod

On tour day, June 28th, eight members went in two cars driven by Pearl Quintal and Mary Victor. First stop was Heritage of Foods in the city where the manager, Walter Makowski and his wife greeted the women. Nadia Bilawchuk, head lady explained every phase of the work and the machines in the building.

Imagine for one batch of dough for perogies it takes four dozen eggs and 100 lbs. of flour. The machine making the perogies places 56 on one tray and 1,500 trays equal one ton approximately.

The daily output uses 40 dozen eggs, 1,000 lbs. of flour and 1,000 lbs. of potatoes. They pride themselves on using only Alberta products and stressed the fact that the flour is the healthful type.

The products turned out and fresh frozen are borsch, cabbage rolls, sauerkraut, perogies and beef rolls and these are shipped from Saskatoon west to Vancouver and north to Yellowknife. The machines come from the U.S.S.R. and are the first of their kind in North America.

A table model showed the original perogy machine and the roll (meat) model to be displayed in the Sales Pavilion during K-days.

Rest assured the Wimenbers enjoyed a sample of the perogies topped with sour cream, meat rolls and coffee.

Ag. Service Bd. Poised For Bertha Worm Blight

The Municipal District of Sturgeon's Agricultural Service Board is all braced to meet the annual onslaught of Bertha Army Worms. Arrangements have been completed with Walker Air Service to do the aerial spraying and M.D. warehouses are stocked with lathane chemicals.

According to Reeve-Walter Van de Walle, prices this year will be comparable to last year's \$3.90 per acre.

The M.D. Council has granted permission to the Agricultural Service Board to attend the two-day conference scheduled for July 25 - 26 in Grand Prairie.

Council requested the Agricultural Service Board to reconsider its recommendation to discontinue the sale of chemicals and grass seed to ratepayers.

from these friendly folks.

They went on to London-derry to browse till it was time to go to the AGT Building where all enjoyed the view from the 33rd floor and before leaving spoke to June Borie. My the telecommunication area was interesting also. Imagine AGT having 2,700 employees in this building.

Then to National Refining where Mr. Shaw took the time to explain and show how antique's were repaired and finished. He showed the difference in how old furniture was made and quality of today's wood. They certainly are busy there and one can see why the price is so high to restore old furniture.

If anyone has old furniture and are contemplating sale, Mr. Michael Dolzal would be happy to come out to estimate. Phone him at 425-6104.

Last stop was the Youville Nursing Home in St. Albert where Sister Fernande Michaud was our congenial guide, showing us through the spacious waiting rooms, recreation facilities and the beautiful Chapel.

that is designed to accommodate wheel chairs.

The statues and the stations of the Cross are all hand carved.

We had the pleasure of meeting 107 year old Mrs. Helen McIra, spoke with Mrs. P. Mary Morissette, Mrs. A. Larue, and Mrs. Ada Tansey. Daphne Kerr visited with Mr. and Mrs. Mullen McIra who live there also.

Sister Fernande told us of the meals-on-wheels, a new innovation at the home. At present there are 162 residents living in.

Due to ball games and meetings scheduled at Calahoo for the evening the group went home after this lovely visit content for having such a well planned and interesting tour, thanks to Daphne Kerr.

MP Visits Constituents

July 10, 1973

Stan Schellenberger, M.P. Wetaskiwin

In the last six weeks I have had the pleasure of making visits back home. Whether it was celebrating Farmers' Day in Stony Plain, taking part in the footcandy in Spruce Grove, participating in the 50th anniversary activities of Onaway, viewing the Ponoka Stampede or wishing the St. John's Lutheran Church a happy 80th birthday in Wetaskiwin, I learned even more how you all feel, listened to your questions and tried my best to answer them. It was heartening meeting so many friends and well-wishers. When a politician visits his constituents, he is always reminded that his principal task is to represent the hopes, fears and desires of thousands of thinking individuals as best he can.

As some of you may know, I have sent a second questionnaire out so that I can gauge your ideas on certain

issues. Already I have received many answers and I am looking forward to hearing from many more people. You may be aware of the fact that there is increasingly a movement in the government to implement a Guaranteed Annual Income Scheme. I would be very interested in reading your comments about this idea as I myself at present have certain reservations about this direction. In any case, I would be more than happy to discuss the issue with you.

On my visits, several individuals questioned the fairness of the Old Age Security rules; they were concerned with the fact that in a family of two, where the spouse is 65 or over, and the other is, let's say, 55, only one of the spouses would be eligible for benefits even if the other was unable to work. I agree with those who question this stipulation and believe that provisions should be implemented that cover this type of case. To this

end, I will definitely make your feelings known to members of my party as well as of the government and question them as to the fairness of this situation.

Secondly, several people complained that the way some dairies determine what percentage of the quota amount will receive maximum payments and what percentages will not is arbitrary and differs among the various dairies themselves. This complaint is well justified and I can assure you that I will be in touch with the people in the Department of Agriculture to try to remedy this problem. Disparities in the treatment by dairies in the same area should be eliminated wherever possible and standardized treatment should be the norm.

Finally, I am sure that most of you are only too aware of the recent U.S. embargo on soy products and other commodities. We can all expect higher prices for these things. In the last year, the price has increased by at least \$300 per ton. I am presently gathering all information pertaining to this issue and will be doing my best to ensure that the government adopts a humane and economic approach. Far above all in this case, we cannot attempt a solution which ignores the millions of innocents who are starving to death.

Please do not hesitate to write me, postage free, if you have any opinions about these issues, or for that matter, anything that you deem important and which you feel I might be of some assistance.

M.D. Studies Recreational Requirements

Thanks go to Mr. Don Jackson and Mr. Blenert for the judging of the day and a special note of thanks to the Bcoock's for their hospitality.

The dairy club's annual banquet will be held on August 20 at 7:30 at the Namoo Hill. Guest speaker will be Lt. Gov. Grant MacEwan. Tickets can be had by phoning Pat Briggs, 543-3122; Betty Kushak 298-2170; Peter Mickelsen 256-2204; Bernadette Huber 799-3849 or Bradley Quwek 528-2167.

On July 12, officials from the M.D. of Sturgeon, the Town of Morinville and the villages of Gibbons, Bon Accord and Legal signed the Regional Recreation Agreement.

With the agreement signed and ready to be implemented, M.D. Council requested the Executive and Development Committee to make a study of the various demands for recreation throughout the municipality. The executive and development committee has also been instructed to report back with recommendations for the distribution of the one mill allowance. The one mill allowance, converted into dollars amounts to \$22,000.

Reuder Comment Farm Safety Week

Minister of Agriculture Eugene Whelan

It is a sobering and saddening fact that the accidental death rate on farms is 20 per cent higher than the national rate. Each year some 1,400 Canadian farm and rural residents are accidentally killed, another 26,000 are injured and 1,500 are permanently disabled.

Whatever the causes -- and they are many and varied -- the need to observe safety practices at all times is clear.

I am happy, therefore, to endorse Farm Safety Week, sponsored by the Canada Safety Council, which will be observed this year July 25 to 31.

In bringing to the attention of farmers and other rural residents the potential dangers to which they are exposed, the Council is performing a valuable service.

MORINVILLE MEMOS

By Flo McGinnis

It must be all the wild that we've been having lately and it's mixed my mind. I really must apologize for the error in last week's issue! It was reported that Yvonne Rak was the winner of the Pony Draw at Frontier Daze, "when actually what she won was a trophy for the 'Best Decorated Bicycle' in the parade. It was young Denise Rowland who won the pony! Sorry girls.

This Saturday is the date of the big Lions Barbecue to be held at the International Building beginning at 6:30 p.m. Admission by advance tickets only which may be obtained from any Morinville Lions Club member.

Twenty-two Senior Citizens motored to Legal on the evening of July 11 to spend an enjoyable time playing cards, visiting with old friends and making new ones.

Visitors from all over are in Morinville these days. Visiting with Mr. and Mrs. Charles Kieser are Mrs. Kieser's brother and sister-in-law, Mr. and Mrs. Clem Steinfert of Kewaskum Wisconsin who arrived in their motor-home from Mission, Texas.

Miss Pat Johnson has her mother and father visiting

from Liverpool, England. Mr. and Mrs. Bill Johnson arrived by air and spent a few days in Morinville and now Pat has taken them on a motor trip through Alberta and B.C. They will arrive back in Morinville in four weeks to spend a few more days here before returning to Liverpool.

On July 11, Mrs. Dorothy Daignault had Mr. and Mrs. Narcisse Lecavaller from Vancouver, and Mr. and Mrs. Wilfred Lecavaller of Legal as visitors.

Mrs. Mary Flannigan had her mother and father, Mr. and Mrs. James Reid of Victoria, B.C. visiting here. They arrived to meet Mary's aunt and uncle, Mr. and Mrs. Will Reid who arrived by air from Scotland. It was the first time that Mary had met the relations from Scotland so it was a great visit with everyone. The Reid couples spent a short time in Morinville and then motored out to Victoria.

The Summer Playground Program is well underway with a good turnout most days. On a visit up to the Playground I saw some very interesting and unique crafts that the children had made during the last week. Such things as clay models, decorated bottles and rocks, and dainty 'nature pictures';

It would really be worth your while to take a short trip up there and see what the youngsters are doing. From the enthusiasm shown by the children that are taking advantage of the program, it is a success already.

Some Morinville mothers have volunteered their assistance at the Playground but not nearly enough yet. When the children are taken on a hike or have a 'Special Day' there are at least four mothers (or helpers) required. So if your children are up there having a good time why not offer your services for at least one morning or afternoon per week.

Young Janet Ricard is enjoying the Playground Program even though she did break her thumb last week. The games got so interesting that Janet missed the mark and broke her thumb in a fall. It was only three weeks ago that she had broken the same thumb in a fall during a gym class. Now she has another cast to get autographs on!

Jean and Maurice Beaupre are pleased to announce the birth of their first grandchild, Derik Ronald, born July 11 and weighing 5 lbs. 15 ozs. Proud parents are Marlene and Ronald Peterson of Edmonton.

Charlotte and Larry Rivet announce the birth of their first child, a son, born July 12th and weighing 7 lbs. 2 ozs. (no name yet). Proud grandparents are Audrey and Emile Rivet, and Marie-Paul Ricard all of Morinville.

Wild Roy's Drive-In Draws Record Crowd

By Flo McGinnis

Wild Roy's Drive-In has just opened their new outlet in Morinville, and immediately has been swamped with people that "have just been waiting for a hamburger place to go to." Saturday and Sunday past there was no room to be had on the lot so it must be true.

Managed by Margaret and Roy Manasterski of Morinville, the drive-in features chicken, hamburgers, fishburgers and all the trimmings, as well as a full line of soft ice-cream concoctions. Roy states that since they are new at the business, this very first week might be a trial and error period in some lines, however by the time they have their official opening in about one month's time they will be "as fast and as perfect as possible."

There is a P.A. system

AROUND STURGEON

Mr. Albert Caouette, formerly of Morinville and now in Edmonton has won \$25,000 in the Manitoba Sweep. At present he is on vacation in the States and will probably get word of his good fortune this weekend when he is expected at the home of relatives in Reno, Nevada, who have been notified.

for taking orders, and parking space for some 30 cars. The parking space will be large enough for 50 cars once the hardtopping is down and all the curbs etc. are installed.

Wild Roy's is open from 10 a.m. till midnight on weekdays and from 10 a.m. till 1:00 a.m. on Friday and Saturday with a staff of seven to serve the customers. Besides Margaret and Roy Manasterski there are:

Mary Trach, Lee Wood, Donna Vranas, Louise Manasterski and Carol Lung from Edmonton.

A warm welcome has been extended to all the residents of Morinville and district to drop in and sample the menu at the location on Grandin Avenue and Champlain Street (old highway #2) and have a chat with Roy Manasterski himself - "Wild Roy."

Calahoo girls honored at bridal showers

By Liz McLeod

SHEILA WALKER June was the time to honor our young ladies around Calahoo, who have wedding plans in mind.

Stanley and Kathleen Walker's daughter, Sheila, was the recipient of a miscellaneous shower, held in the church basement with a happy crowd in attendance.

Appropriate games and visiting was enjoyed before the bride opened her gifts. Seated at the prettily decorated table were Sheila, her bridesmaid, her mother and her grandmother Mrs. Alice MacNamara who re-

sides in Spruce Grove.

After all the many useful and lovely gifts were opened and admired, Sheila graciously thanked everyone for coming and for the lovely gifts with special thanks to the hostesses, Mrs. Pauline Kolesar, Mrs. Donna Berube, Mrs. Theda Verbeek and Mrs. Cecile Berry.

It is Calahoo's R.C. church custom to put on these parties for members with individuals hosting them.

A bounteous lunch and friendly visiting was enjoyed by all.

into a bowl.

Guess who got the prize? The bride, for the worst job, since the shell crumbled!

The many beautiful and useful gifts were opened and admired by about 70 ladies and a few children present.

Seated at the head table were Brian's grandmother, Mrs. Mary DeRudder, bride's mother, Mrs. Melina Paquette, Miss Carmel Byer, Denise, Mrs. Marlene Brenneis, Miss Annette Dolinger, Brian's mother, Mrs. Honey Brenneis, and Denise's grandmother, Mrs. J. St. Louis.

Denise looked lovely in the hat made from all the bows which she modelled while graciously thanking everyone for coming and for all the gifts. Lunch and visiting rounded out this happy occasion put on by the church with Mrs. G. Primeau hosting and her mother assisting.

DENISE PAQUETTE

Pink and white streamers and bells decorated the church basement for the shower of Adelard and Melina Paquette's daughter Denise, before her forthcoming marriage to Brian Brenneis.

As guests entered and signed the guest book each took a number which later were used for the games. A balloon blowing and breaking contest, describe the bride's dress, and guess the measurements of the hostess, Annette Primeau, provided lots of fun and laughs for all.

The bride and her attendants came forward, blindfolded to see who made the nearest job cracking an egg
